

Dear Parent/Guardian,

We are currently organising Easter study sessions in the following format.

Tuesday 29th March – Friday 1st April 9.30am-3.30pm €40

In order to operate study effectively during the holiday period it is not possible for students to sign up for specific days only. **Students must commit to the full week.**

Payments should be separate from Night Study.

If you son/daughter is interested in attending either or both of these sessions please fill in the form below and return with the appropriate payment to reception by **Wednesday 16th March at 11.30.** (the College will close early on that day). **Forms will not be accepted after this date.**

Kind Regards

Maeve Costigan
